## Introduction

College of the North Atlantic Awards Program provides a significant contribution to the education of our students through the encouragement and recognition of high scholastic performance and by providing a measure of assistance to those who may experience financial difficulty in completing their programs of study.

These awards are made possible by the generous contribution of our donors, who represent numerous organizations, companies and individuals and whose support is the very foundation of our awards program.

This handbook describes the types of awards available and the specific criteria for each. It also provides a section that describes awards offered at each campus, as well as a section that outlines awards that are provided at the provincial level. Students in qualifying programs at all campus locations compete for provincial awards.

For further information, please contact the person responsible for your campus awards program or the Provincial Chairperson. Please refer to the committee membership section of this handbook for a list of awards representatives.

Please carefully read the General Information section of this handbook. College awards are subject to change or cancellation without prior notice.

## General Information

The College offers opportunities to students in many programs to compete for a variety of achievement awards, scholarships, bursaries, distinction awards, prizes and graduation awards.

## Ed Norman Memorial Scholarship

The Lower Mainland Newfoundland and Labrador Heritage Society was registered as a non-profit society in British Columbia in 1995. One of its main purposes was “to become active, visible and involved in the community by making financial donations to charitable causes such as the establishment of a Scholarship/Bursary Fund or other worthy causes as approved by the membership”. The society would have socials, fundraisers and receive donations from private individuals to raise monies. Soon after the Society’s formation, the members chose to have funds set aside to be used for Scholarships. In 1999, Ed Norman joined the society. Using his expertise as a lawyer, Ed, along with other committee members, drafted guidelines, and protocol for the Society’s Scholarship Fund.

On January 12, 2000, Ed Norman died suddenly at the age of 47. As a young person, Ed lived in Port Union, Trinity Bay and moved to St. John’s when he was 13. After high school, Ed completed his undergraduate degree in political science at Memorial University and in 1976 completed his law degree at Dalhousie University. For his hard work, dedication and love for the Province of Newfoundland and Labrador, the Society renamed the fund The Ed Norman Memorial Scholarship Fund. ## BAY ST. GEORGE CAMPUS

### Awards

#### **Andrew C. Jesso Distinction Award**

Andrew C. Jesso was born on July 15, 2002, in Clarenville, Newfoundland but spent most of his life living in Stephenville. He was the only child of Laura Jesso of Stephenville, Newfoundland.

Andrew lived a life full of fun and adventure. He was very passionate about everything he pursued. He was known for his infectious smile as he would light up any room that he was in. He loved nature and enjoyed the little things in life, especially watching sunsets. Those who had the privilege of knowing him knew that there was nothing he would not do to help others.

Andrew spent three years in the Canadian Armed Forces, 2nd Battalion in the Royal Newfoundland Regiment. He was also an inspiring DJ, known as DJ Drew to many of his friends. Andrew was a regular at the gym, helping coach and inspire many youths in achieving their fitness and wellness goals. Andrew enjoyed time shredding the slopes at Marble Mountain, but his true passion was teaching young skiers, something he did for six years as a ski instructor.

Andrew graduated from Stephenville High school in June 2020. He attended the College of the North Atlantic in September 2020 to complete the Comprehensive Arts and Science Transition Program in which he graduated with honors in April 2021. Andrew continued to complete courses in the Electronic Systems Engineering Program and Business Administration program at the college but felt that was not what he wanted to do. In May 2022, Andrew decided to do the Correctional Officer Program at Holland College in PEI. He was so excited to attend Holland College and was looking forward to his graduation in February 2023.

Sadly, Andrew was killed in a tragic car accident on June 25, 2022, at the age of 19, just a few weeks shy of his 20th birthday. We will miss him dearly. We, the family of the late Andrew C. Jesso, would like to keep his spirit alive through this Memorial Distinction Award.

### **David J. Porter Memorial Distinction Award**

David J. Porter was born on September 17, 1948, in Long Pond, Conception Bay South. He was the fifth of eight children. His family endured tough times in his early years as his father was killed during the construction of Twin Falls in Labrador. It wasn't easy.

David started his career with Eastern Provincial Airlines, Atlantic Aviation, and later went to work with Government Air Services as an Aircraft Mechanic on Water Bombers and the Air Ambulance where he had a 30-year career. His attention to detail, incredible problem-solving skills, and desire to complete a quality job provided his wife Patsy and daughter Ruby with a comfortable life. His sense of humor, strong work ethic, and how much pride he had in his work made him a great co-worker.

As David became more experienced in his field, he was presented with bigger and more challenging issues. He and some of his peers would take contracts in places like British Columbia, Alaska, Manitoba, and Greece. The work often involved creative thinking to either salvage, repair, train others, or to get the plane back in the air. One of his many proud accomplishments was helping place retired water bombers on display in Gander, Botwood, St. Anthony and the King Air 350 Air Ambulance at the Gander campus of College of the North Atlantic. He had become an expert in his field. David loved his job.

David was a kind, generous, fun-loving man who adore his family. Those who had the privilege of knowing him knew that family and work were his favorite topics. There was nothing he wouldn't do to help those close to him. Sadly, David left us too soon on July 23, 2020. We will miss him dearly. We, the family of the lady David J.
