Orientation sessions will consist of reviewing course selections with your advisors and signing an advisement form to confirm your registration in the program. Booklists and class schedules will be available during your orientation sessions.

Practical Nursing (1st Year) and Practical Nursing (2nd Year) – classes will commence immediately following registration on Tuesday, September 4, 2018.

All other programs (Business Administration, Carpenter, CAS Transfer, CAS Transition, Community Studies, Construction/Industrial Electrician, Engineering Technology (First Year), and Personal Care Attendant) – classes will commence as per your program schedule on Thursday, September 6, 2018.

Booklists and class schedules will be available during your orientation session.
