

Small Equipment Service Technician

The Small Equipment Service Technician program is designed to train individuals in the knowledge and skills associated with the repair and maintenance of recreational equipment, such as snowmobiles, ATVs, motorcycles, personal water craft and outboard motors, as well as fuel-powered tools such as snowblowers, chainsaws and lawnmowers.

The Provincial Apprenticeship and Certification Board through legislative authority is responsible for the registration of apprentices and trade qualifiers into the designated occupations.

The registration of an apprentice will take place when an individual is employed in a field of work directly relating to a designated occupation, and has a Memorandum of Understanding (MOU) signed between the Division of Institutional and Industrial Education, an employer and the apprentice.

OBJECTIVES

1. To provide the appropriate learning opportunities required for employment.
2. To assist students with the development of appropriate attitudes and behaviour that are conducive to working with other persons in this occupation.
3. To develop and strengthen related knowledge and skills in subjects that complement and support the trade.

ENTRANCE REQUIREMENTS

Comprehensive Arts and Science Certificate (College Transition program),

OR

A provincial High School Graduation Certificate or equivalent,

OR

Adult Basic Education (Level III) Graduation,

OR

Adult Basic Education (Level III) Graduation with General College Profile (or Business Related College Profile or Degree and Technical Profile). It is strongly recommended that courses include the following:

1. Mathematics MA3107A, MA3107B, MA3107C
2. Science 3101, 3102, 3103

OR

Persons 19 years of age or older who do not possess the educational prerequisite for this program may be considered on an individual basis under the Mature Student Clause.

EMPLOYMENT OPPORTUNITIES

Graduates of the Small Equipment Service Technician program may find employment in a variety of mechanical settings, including the service, sales and/or parts departments of the many recreational vehicle and rental dealerships that exist throughout the province. In addition, opportunities exist with independent garages, service stations, and repair shops, as well as manufacturers. Additional experience and training may lead to positions such as foreperson, supervisor, or inspector. Opportunities for self-employment are quite good in this area.

CERTIFICATE

- One year
- Start date varies
- Bay St. George Campus

COURSES

CODE	TITLE	Hrs
Block 1 Entry Level		
TS1510	Occupational Health and Safety	6
TS1520	WHMIS	6
TS1530	Standard First Aid	14
TS1190	Shop Fundamentals	90
TS1220	Precision Measurement	30
WD1250	Oxy-Fuel Cutting and Heating	30
WD1260	Shielded Metal Arc Welding Fundamentals	30
WD1320	Gas Metal Arc Welding	30
MP1440	Electrical and Electronic Basic Principles	90
SR1120	Service Information Systems	30
SR1130	Engine Operations	45
SR1140	Lubrication Systems	45
