

CAREER FOCUS

WAGE SUBSIDY PROGRAM GUIDELINES and APPLICATION (revised July 2016)

A program funded by
Youth Employment Strategy, Government of Canada
and delivered by
College of the North Atlantic

Introduction

As the Career Focus Community Coordinator, College of the North Atlantic is currently accepting applications from employers to provide challenging career-related work experience to youth age 15-30. Career Focus provides funding for employers and organizations to hire eligible applicants for full time employment in high demand occupations.

Program Objectives

Career Focus aims to:

- increase the supply of highly qualified workers;
- facilitate the transition of highly-skilled young people to a rapidly changing labour market;
- promote the benefits of advanced studies; and,
- demonstrate federal leadership by investing in the skills required to meet the needs of the knowledge economy

Eligible Participants

Participants are recruited by the funding recipients.

To participate in Career Focus, youth must be:

- between the ages of 15 and 30 (inclusive) at the time of intake/selection
- hold a University Degree or College Diploma
- Canadian citizens, permanent residents, or persons who have been granted refugee status in Canada
- legally entitled to work according to the relevant provincial/territorial legislation and regulations
- not in receipt of Employment Insurance (EI) benefit
 - Participants must not be in receipt of EI. Priority will be given to non EI-eligible youth (i.e., not entitled to Part 1 or Part II benefits). EI recipients wishing to participate in a Career Focus project should consult an EI agent and voluntarily withdraw from EI.

Available Funding

College of the North Atlantic will pay directly to the employer wage assistance of 50 % of the actual wage paid, to a maximum subsidy of \$20,000 participant. The agreement will be 12 to 36 weeks in duration and will be negotiated based on each participant need. The participant must work a minimum of

30 hours per week for the employer to qualify for the assistance. The assistance will not be paid for hours worked in excess of the approved amount.

It is the employer's responsibility to ensure that students are paid at least the legislated minimum wage, and that the employer is paying at least 50 percent of the participant's wage. In addition, the employer is responsible for paying the following employee benefits: vacation pay, unemployment insurance and Canada Pension Plan premiums, and Workers' Compensation costs. No assistance to the employer is available through this program for materials, travel or other administrative costs associated with the placement.

Terms and Conditions, Application Procedures

Approved applicants are expected to develop and maintain a work schedule for all participants. Work experiences will be supported by workplace coaching and/or mentoring, to maximize the benefit to be gained by the participant. The signed Career Focus reimbursement claim form will be returned to College of the North Atlantic, Prince Philip Drive Campus, P.O. Box 1693, St. John's, NL, A1C 5P7, on a monthly basis.

College of the North Atlantic reserves the right to terminate any commitment made if the original proposals and objectives are not being met. The appropriate Career Focus staff also reserves the right to inspect the work of the students and associated records.

Enterprises interested in the Program may apply through College of the North Atlantic's Career Focus office, Prince Philip Drive Campus. Contact information is included below:
