

General Information

The residence is located in a six-story building that houses classrooms, administrative offices and three co-ed residence floors with a capacity to accommodate 168 students. There are also two wheelchair accessible rooms available. Each room is double and students are expected to share the room with another student of the same sex. Students must supply all bed linens, towels and personal items.

There are lounges on each floor with a T.V. VCR. Payphones are located on each floor lobby. A telephone hookup for a room can be made available upon request. Laundry facilities are also made available.

A kitchenette is located on each floor for light snacks. Electrical appliances are not permitted in rooms to ensure safety.

There are two Residence Assistants on each floor to assist students who may have concerns and ensure that rules and regulations are followed. Security staff is available 24 hours a day to provide safety for residents.

The residence is located in Stephenville. Students should keep this in mind when taking programs located in the Stephenville Crossing site. The distance from Stephenville to Stephenville Crossing is Approximately 12 km.

Benefits

There are many benefits to living in residence, such as:

Convenience of having meals prepared.

Convenience of being located downtown Stephenville.

Opportunity to make new friends.

Quick access to social and recreational facilities, as well as library and computer facilities.

Convenience of getting to class without going outside within walking distance of L.A Bown (1/2 km) and the Don Wright buildings (1/4 km)

Each occupant of a room is provided with a bed, stationary desk, bookshelves, bulletin board and chair.

Each room is equipped with an internet hookup, free of charge.
