Important Information for Ridge Road Students Regarding the College Health and Dental Insurance Plan.

In an effort to avoid delays in the registration process on Sept. 6th and 7th, we encourage students who already have insurance to use the on line opt-out feature detailed below.

To opt out on line, go to this link:

<http://www.cna.nl.ca/current-students/insurance.asp>

If you use this opt-out feature, **you must print off the auto-response e-mail** sent to you after you have entered all your information on line. This e-mail is proof of alternate coverage. **Bring a copy of this e-mail with you on registration day.**

If you do not use this opt-out feature, you must provide proof of alternate coverage in the form of an insurance card with your name on it, **OR** a letter from your insurance company indicating what coverage you have. Proof of alternate coverage **must** bear the student's name and indicate that they have health and/or dental coverage.

If you do not provide proof of alternate coverage on registration day, you will be required to purchase the insurance in order to complete registration. You will have until September 23 to provide proof of alternate coverage and receive a refund.

If you have any questions, please contact Learner Services, Room 111, Ridge Road Campus, (709) 758-7000.
