Introduction

College of the North Atlantic Awards Program provides a significant contribution to the education of our students through the encouragement and recognition of high scholastic performance and by providing a measure of assistance to those who may experience financial difficulty in completing their programs of study.

These awards are made possible by the generous contribution of our donors, who represent numerous organizations, companies and individuals and whose support is the very foundation of our awards program.

This handbook describes the types of awards available and the specific criteria for each. It also provides a section that describes awards offered at each campus, as well as a section that outlines awards that are provided at the provincial level. Students in qualifying programs at all campus locations compete for provincial awards.

For further information, please contact the person responsible for your campus awards program or the Provincial Chairperson. Please refer to the committee membership section of this handbook for a list of awards representatives.

Please carefully read the General Information section of this handbook. College awards are subject to change or cancellation without prior notice.

General Information

The College offers opportunities to students in many programs to compete for a variety of achievement awards, scholarships, bursaries, distinction awards, prizes and graduation awards.

Notes:

- All students who are selected for an award/scholarship/bursary will be required to provide their Social Insurance Number, so that a T4A may be issued for income tax purposes.
- College of the North Atlantic recommends that students who are receiving funding and/or sponsorship contact their funding/sponsoring agency for clarification of whether receiving an award may affect their funding/sponsorship status.
- If you receive a scholarship or bursary, you must report the total amount on your application to Student Financial Services; however, only the amount that exceeds \$1,800 per academic year will be considered a financial resource in calculating your assessed need.

Definitions of Awards

Achievement Award

Monetary award given in recognition of academic excellence, leadership and community / college involvement.

Scholarship

Monetary award given in recognition of academic excellence.

Bursary

Monetary award given in recognition of financial need and academic merit.

Distinction Award

An award given in recognition of a variety of qualities. Some examples would be, but are not limited to, passion for learning, demonstrated initiative, significant contribution to class, good work ethic, positive attitude, willingness to help others and/or strong desire to succeed.

Prize

Award given in recognition of performance in a particular subject area or task.

Medal

President's Medals of Excellence, Governor General's Academic Medals, and other medals presented upon graduation.

Dean's Honour Roll

Students achieving academic excellence as prescribed by the student awards policy (SS-204-PR) will become members of the College of the North Atlantic Dean's Honour Roll.

Academic Excellence

For Achievement Awards and Scholarships academic excellence refers to a candidate who has attained the minimum weighted/overall average of 75% or higher. Note: some programs are based on weighted average and others are based on overall average.

Academic Merit

For Bursaries, Distinction Awards and Prizes academic merit refers to a candidate who has attained the minimum weighted/overall average of 60% or higher except in cases where the grading basis is higher for the program. Note: some programs are based on weighted average and others are based on overall average.

Regular Program

Regular Program refers to certificate, diploma or degree programs. It does not include advanced diploma, certificate of achievement, certificate of participation, micro credential–digital badge and post diploma.

Application Process

Application forms for awards administered by the College are available on the College website.

Unless otherwise stated, applications are **not** required to be considered for medals, scholarships, distinction awards or prizes.

Application Form shall be required of a candidate for each award designated as an achievement award or bursary.

The deadline for receipt of applications for bursaries and other awards can be obtained at each campus Student Services Office, as well as the College website, but is generally mid-January. Please see application form for exact date.

Eligibility for College Awards

During a campus or provincial awards selection process no achievement award, scholarship or bursary administered by the College, within that process, shall be awarded to a candidate who holds an award of equal or greater value, unless specifically required by the terms of the award.

To be eligible for any award a student must be registered as a full-time student in a recognized College program.

To be eligible for renewal of an achievement award, scholarship, or bursary the student must maintain full time status in their recognized College program and continue to meet eligibility requirements of the award.

The eligibility criteria for awarding an Achievement Award or Scholarship:

- Candidates must be in clear academic standing with a minimum weighted/overall average of 75%.
- At least 80% of the credits accumulated at the point of consideration for awards must have been obtained at the College.
- Courses which are not included in the requirements for graduation will not be included in the calculation of the weighted /overall average.
- Candidates must have attained a passing grade in **ALL** courses being considered in establishing weighted average. Marks obtained in supplementary exams will be considered in the calculation of the weighted/overall average.
- In cases where the student repeats a course, the best-earned grade will stand for calculation of the weighted/overall average.

The eligibility criteria for awarding a Bursary, Distinction Award or Prize:

- Candidates must be in clear academic standing with a minimum weighted/overall average of 60%, except in cases where the minimum grading basis is higher. (i.e. in Industrial Trades and Primary Care Paramedicine it is 70%). The weighted average will be used except in cases where programs use an overall average.
- At least 80% of the credits accumulated at the point of consideration for awards must have been obtained at the College.
- Courses which are not included in the requirements for graduation will not be included in the calculation of the weighted overall/average.
- Candidates must have attained a passing grade in **ALL** courses being considered in establishing weighted average. Marks obtained in supplementary exams will be considered in the calculation of the weighted overall/average.

- In cases where the student repeats a course, the best-earned grade will stand for calculation of the weighted/overall average.

The eligibility criteria for awarding the Governor General's Medal:

The Governor General's Medal is awarded to a **graduate** who has achieved the highest weighted/overall average at each campus where applicable. The student must be graduating from a **two or three-year diploma-level program**.

The eligibility criteria for the President's Medal of Excellence:

The President's Medal of Excellence will be awarded to one full-time **graduate** in each program who attains the highest weighted/overall average in his/her program. The student will also receive a certificate. The student must meet all College scholarship criteria. The medal is campus based and is available to both the certificate and diploma-level programs.

The eligibility criteria for Dean's Honour Roll (Semester Based):

The College has established a Dean's Honor Roll to recognize those students who meet the following criteria:

- Those in certificate, diploma, advanced diploma, post-diploma and applied degree programs who have a grade point average (GPA) of 4.0 and/or no mark less than 80%.
- Some campuses offer Office Administration and Business Administration by the individualized instruction methodology. At campuses where this applies, students must be full time and achieve a grade point average (GPA) of 4.0 and no mark less than 80% to qualify for the Dean's Honour Roll.

The eligibility criteria for Honours Status at Graduation:

The College recognizes graduates who have attained an overall grade point average (GPA) of 4.0 and attained a minimum mark of 80% in each course of their certificate or diploma level program. Students who achieve this will be recognized during the graduation ceremony with an honour cord.

Documentation

Awards administered by the College shall be recorded on the recipient's academic record.

Transcripts for students who achieve honour society status (semester based), will state, "Dean's Honour Roll" at the end of each semester that they achieve these criteria.

Students who have achieved honour society status (semester based) will have their names posted on the campus webpage within the college website at the end of the applicable semester.

Transcripts for students who achieve honours at graduation, will state, "Graduated with Honours" on their transcript.

Students who achieved Dean's Honour Roll status will have a customized letter sent to them via their college email address (PDF Format). This letter will be generated on Academic School letterhead and be signed by the Dean of their respective school.

College Awards Publications - Opt Out Form

If you do not wish to have your personal information (name, photo, video, program of study and community) published by the college, please complete an "Opt Out" form (found at the back of this handbook or on our website at www.cna.nl.ca/awards) and submit it to the Student Services Office at your campus.

Outstanding Fees

Award recipients who owe outstanding fees to the college will have their monetary award credited to their account.

Privacy Disclaimer

As part of the Scholarship/Awards process, your personal information (name, photo, video, program of study and community) may be shared with our donor to advise them of how their scholarship monies have been distributed. If you do not wish to have this information shared, please e-mail the Alumni & Advancement office at alumni@cna.nl.ca. Many thanks for allowing us to share your successes with the donors who have made these awards possible.

Ed Norman Memorial Scholarship

The Lower Mainland Newfoundland and Labrador Heritage Society was registered as a non-profit society in British Columbia in 1995. One of its main purposes was “to become active, visible and involved in the community by making financial donations to charitable causes such as the establishment of a Scholarship/Bursary Fund or other worthy causes as approved by the membership”. The society would have socials, fundraisers and receive donations from private individuals to raise monies. Soon after the Society's formation, the members chose to have funds set aside to be used for Scholarships. In 1999, Ed Norman joined the society. Using his expertise as a lawyer, Ed, along with other committee members, drafted guidelines, and protocol for the Society's Scholarship Fund.

On January 12, 2000, Ed Norman died suddenly at the age of 47. As a young person, Ed lived in Port Union, Trinity Bay and moved to St. John's when he was 13. After high school, Ed completed his undergraduate degree in political science at Memorial University and in 1976 completed his law degree at Dalhousie University. For his hard work, dedication and love for the Province of Newfoundland and Labrador, the Society renamed the fund The Ed Norman Memorial Scholarship Fund. The Lower Mainland Newfoundland and Labrador Heritage Society takes great pride and pleasure in donating this scholarship to College of the North Atlantic to help assist a deserving student in their studies.

Gary Corcoran Rotary Memorial Bursary for Culinary Arts

Born in Newfoundland, Gary Corcoran enjoyed a distinguished 30-year career at RBC Dominion Securities. However, his personal life was marked by a profound passion for culinary arts. This fascination with food began early in Gary's life, evolving into a lifelong devotion he carried wherever he went. Gary's culinary enthusiasm served as a bridge to friends, a magnet for gatherings, and a means to support charities throughout Newfoundland. Without formal training, Gary showcased his talents in prestigious kitchens across North America like Raymond's Restaurant, the James Beard House in NYC, and even Charlie Trotter's Restaurant in Chicago. After an ALS diagnosis rendered him unable to cook, Gary channeled his passion into a cookbook, capturing his cherished recipes. The proceeds from this book have enabled the Stokers Group of Rotary to offer support to CNA students keen on embracing the culinary world.

Kyle Peter Alexander Ronayne Memorial Bursary

Kyle Peter Alexander Ronayne was a dedicated student of the Business Management program at the College of the North Atlantic. Kyle was a smart, resourceful young man who worked successfully in various fields, but it was his aspiration to one day own his own business that brought him to enroll at CNA as a full-time mature student.

Kyle was as kind as he was hardworking, and even with a full course load, he never hesitated to lend a hand (or an ear) to anyone in need. He made the best of a situation and believed everyone and everything had potential. No matter the challenges, obstacles or setbacks he was thrown, he rose to meet them with a quiet fortitude. Kyle's warm, witty, and easygoing personality helped to form many friendships, and left a lasting impression on everyone he met.

Kyle was a much loved and devoted son, brother, uncle, and friend, and this award aims to provide the opportunity for a student to pursue their own dreams in the business world, while honoring and celebrating Kyle, and ensuring his legacy of kindness and generosity is carried on.

Campus Awards

BAY ST. GEORGE CAMPUS

Andrew C. Jesso Distinction Award

Andrew C. Jesso was born on July 15, 2002, in Clarenville, Newfoundland but spent most of his life living in Stephenville. He was the only child of Laura Jesso of Stephenville, Newfoundland.

Andrew lived a life full of fun and adventure. He was very passionate about everything he pursued. He was known for his infectious smile as he would light up any room that he was in. He loved nature and enjoyed the little things in life, especially watching sunsets. Those who had the privilege of knowing him knew that there was nothing he would not do to help others.

Andrew spent three years in the Canadian Armed Forces, 2nd Battalion in the Royal Newfoundland Regiment. He was also an inspiring DJ, known as DJ Drew to many of his friends. Andrew was a regular at the gym, helping coach and inspire many youths in achieving their fitness and wellness goals. Andrew enjoyed time shredding the slopes at Marble Mountain, but his true passion was teaching young skiers, something he did for six years as a ski instructor.

Andrew graduated from Stephenville High school in June 2020. He attended the College of the North Atlantic in September 2020 to complete the Comprehensive Arts and Science Transition Program in which he graduated with honors in April 2021. Andrew continued to complete courses in the Electronic Systems Engineering Program and Business Administration program at the college but felt that was not what he wanted to do. In May 2022, Andrew decided to do the Correctional Officer Program at Holland College in PEI. He was so excited to attend Holland College and was looking forward to his graduation in February 2023.

Sadly, Andrew was killed in a tragic car accident on June 25, 2022, at the age of 19, just a few weeks shy of his 20th birthday. We will miss him dearly. We, the family of the late Andrew C. Jesso, would like to keep his spirit alive through this Memorial Distinction Award.

Bell Aliant Pensioners Association of Newfoundland and Labrador Bursary

The Bell Aliant Pensioners' Association of Newfoundland and Labrador (BAPANL) is comprised of retired employees from the current Bell Aliant company and its formerly named companies, i.e., Aliant, Newtel, Terra Nova Tel, Newfoundland Telephone and Avalon Telephone. The Association was formed in 2000 as the Aliant Pensioners' Association. The purpose of BAPANL is to monitor the status of the Bell Aliant Pension Plan and the various Benefits provided by the Company and to present the concerns of the members to the Management of Bell Aliant. The affairs of the Association are directed by a Board of Directors consisting of a President, Vice President, Treasurer, Secretary, and various Directors. In 2018 the membership of BAPANL decided to join the Bell Pensioner's Group (BPG) as the Aliant Atlantic Chapter of BPG. However, BAPANL continued to exist to manage the investments of BAPANL which had accumulated over the years. At the May 5, 2022, Annual General Meeting of BAPANL it was decided to wind-up the BAPANL organization and distribute the remaining assets to various community organizations. This is the basis of our gift of \$30,000 to the College of the North Atlantic to establish an annual Award of \$1,000 to provide financial assistance to a deserving student.

GANDER CAMPUS

Bill Bennett Aviation Career Distinction Awards

Our father, Bill Bennett, inspired many during his life in aviation. To his children he taught us tenacity to overcome any obstacle, to reach our goals, and be our best in our lives. To the many pilots and maintenance staff that worked with him, he demanded the best and showed the way by his own abilities as an exceptional bush pilot. He was committed to ensuring that Gander Aviation, could be counted on by the people of Newfoundland and Labrador as a safe and dependable operation in what were the early days of aviation.

Bill started as a baggage handler at Trans Canada Airlines in Gander in the 50's and after a brief time in the car dealership business, having founded Bennett Motors, he knew his passion was in aviation. He sold the dealership, went to the mainland, and obtained his private pilot's license. Only months later, he returned to Ontario and completed his commercial pilot's license, purchased a Cessna 170 on floats, did his float endorsement in Toronto Harbour, then flew that same C170 from Toronto Harbour to Deadman's Pond in Gander. Dad owned and operated Gander Aviation from its inception in 1959 for the next 50 years.

That same drive, to go from dreams to goals to the planning and tenacity to make them a reality, followed him for the next almost 50 years of his career. A true pioneer and highly skilled pilot, a tenacious and ambitious businessman, and a true and self-made entrepreneur. Our family is proud of our roots in Gander, proud of what dad accomplished, and the lives he touched through Gander Aviation. We still today share, in different ways, that passion for aviation. We want that this award assists and inspires the recipient to dream, set goals, to be tenacious to achieve, and demand the best of themselves.

David J. Porter Memorial Distinction Award

David J. Porter was born on September 17, 1948, in Long Pond, Conception Bay South. He was the fifth of eight children. His family endured tough times in his early years as his father was killed during the construction of Twin Falls in Labrador. It wasn't easy.

David started his career with Eastern Provincial Airlines, Atlantic Aviation, and later went to work with Government Air Services as an Aircraft Mechanic on Water Bombers and the Air Ambulance where he had a 30-year career. His attention to detail, incredible problem-solving skills, and desire to complete a quality job provided his wife Patsy and daughter Ruby with a comfortable life. His sense of humor, strong work ethic, and how much pride he had in his work made him a great co-worker.

As David became more experienced in his field, he was presented with bigger and more challenging issues. He and some of his peers would take contracts in places like British Columbia, Alaska, Manitoba, and Greece. The work often involved creative thinking to either salvage, repair, train others, or to get the plane back in the air. One of his many proud accomplishments was helping place retired water bombers on display in Gander, Botwood, St. Anthony and the King Air 350 Air Ambulance at the Gander campus of College of the North Atlantic. He had become an expert in his field. David loved his job.

David was a kind, generous, fun-loving man who adore his family. Those who had the privilege of knowing him knew that family and work were his favorite topics. There was nothing he wouldn't do to help those close to him. Sadly, David left us too soon on July 23, 2020. We will miss him dearly. We, the family of the lady David J. Porter, would like to keep his spirit alive through this Memorial Distinction Award.

Growing up in Norris Point NL as one of 14 children, she was always ready to learn something new. She graduated from the College in the late 90's after returning to school when she became widowed. From there she went on to run her own B&B for a while before moving to NS where she became an Innkeeper/Manager for the next 23 years. She loved her role, her staff and having the chance to make a difference in the lives of the travelers she met. She took great pride in the work that she did, and this was evident in everything she touched. Sadly, Marie passed away in 2022 at aged 73 but worked at 'Her' Inn until then. Marie's tenacity, courage and goodwill helped get her through the tough times, and this award goes to someone who has captured this same spirit of hospitality, shows the same kindness and is always ready to learn something new.
