

# Boat Safety & Digital Photography

## **Boating Safety**

New Federal regulations require all operators of motorized boats and personal watercraft to obtain a Pleasure Craft Operator (PCO) Card. This 8-hour course will introduce students to the navigation requirements, how to respond to emergencies, and the knowledge about operating pleasure crafts.

Start Date: May 30, 2009

## **Digital Photography**

This 12 hour course will introduce students to the basic principles of digital photography; operation of the camera, shutter speeds and apertures, basic portraiture, and basic landscape.

Start Date: May 23-24, 2009
