Introduction

College of the North Atlantic Awards Program provides a significant contribution to the education of our students through the encouragement and recognition of high scholastic performance and by providing a measure of assistance to those who may experience financial difficulty in completing their programs of study.

These awards are made possible by the generous contribution of our donors, who represent numerous organizations, companies and individuals and whose support is the very foundation of our awards program.

This handbook describes the types of awards available and the specific criteria for each. It also provides a section that describes awards offered at each campus, as well as a section that outlines awards that are provided at the provincial level. Students in qualifying programs at all campus locations compete for provincial awards.

For further information, please contact the person responsible for your campus awards program or the Provincial Chairperson. Please refer to the committee membership section of this brochure for a list of awards representatives.

Please read carefully the General Information section of this brochure. College awards are subject to change or cancellation without prior notice.

This handbook is also available on our web site at “http://www.cna.nl.ca/awards”.

General Information

The College offers opportunities to students in many programs to compete for a variety of achievement awards, scholarships, bursaries, distinction awards, prizes and graduation awards.

Note: All students who are selected for an award/scholarship/bursary will be required to provide their Social Insurance Number, so that a T4A may be issued for income tax purposes.

Note: College of the North Atlantic recommends that students who are receiving funding and/or sponsorship contact their funding/sponsoring agency for clarification of whether receiving an award may affect their funding/sponsorship status.

Note: If you receive a scholarship or bursary, you must report the total amount on your application to Student Financial Services; however, only the amount that exceeds $1,800 per academic year will be considered a financial resource in calculating your assessed need.
Definitions of Awards

Achievement Award
Monetary award given in recognition of academic excellence, leadership and community / college involvement.

Scholarship
Monetary award given in recognition of academic excellence.

Bursary
Monetary award given in recognition of financial need and academic merit.

Distinction Award
An award given in recognition of a variety of qualities. Some examples would be, but are not limited to, passion for learning, demonstrated initiative, significant contribution to class, good work ethic, positive attitude, willingness to help others and/or strong desire to succeed.

Prize
Award given in recognition of performance in a particular subject area or task.

Medal
President’s Medals of Excellence, Governor General’s Academic Medals, and other medals presented upon graduation.

Honour Society
Students achieving academic excellence as prescribed by specific criteria will become members of the College of the North Atlantic Honour Society.

Academic Excellence
For the purpose of Achievement Awards and Scholarships academic excellence refers to a candidate who has attained the minimum weighted/overall average of 75% or higher. Note: some programs are based on weighted average and others are based on overall average.

Academic Merit
For the purpose of Bursaries, Distinction Awards and Prizes academic merit refers to a candidate who has attained the minimum weighted/overall average of 60% or higher except in cases where the grading basis is higher for the program. Note: some programs are based on weighted average and others are based on overall average.
Application Process

Application forms for awards administered by the College are available at the Student Services Office.

Unless otherwise stated, applications are not required in order to be considered for medals, scholarships, distinction awards or prizes.

An application shall be required of a candidate for each award designated as an achievement award or bursary.

The deadline for receipt of applications for bursaries and other awards can be obtained at each campus Student Services Office but is generally mid-January. Please see application form for exact date.

Eligibility for College Awards

During a campus or provincial awards selection process no achievement award, scholarship or bursary administered by the College, within that process, shall be awarded to a candidate who holds an award of equal or greater value, unless specifically required by the terms of the award.

To be eligible for any award a student must be registered as a full-time student in a recognized College program.

To be eligible for renewal of an achievement award, scholarship or bursary the student must maintain full time status in their recognized College program and continue to meet eligibility requirements of the award.

The eligibility criteria for awarding an Achievement Award or Scholarship:

- Candidates must be in clear academic standing with a minimum weighted/overall average of 75%.
- At least 80% of the credits accumulated at the point of consideration for awards must have been obtained at the College.
- Courses which are not included in the requirements for graduation will not be included in the calculation of the weighted/overall average.
- Candidates must have attained a passing grade in ALL courses being considered in establishing weighted average. Marks obtained in supplementary exams will be considered in the calculation of the weighted/overall average.
- In cases where the student repeats a course, the best-earned grade will stand for calculation of the weighted/overall average.
The eligibility criteria for awarding a Bursary, Distinction Award or Prize:

- Candidates must be in clear academic standing with a minimum weighted/overall average of 60%, except in cases where the minimum grading basis is higher. (i.e. in Industrial Trades and Primary Care Paramedicine it is 70%). The weighted average will be used except in cases where programs use an overall average.

- At least 80% of the credits accumulated at the point of consideration for awards must have been obtained at the College.

- Courses which are not included in the requirements for graduation will not be included in the calculation of the weighted overall/average.

- Candidates must have attained a passing grade in ALL courses being considered in establishing weighted average. Marks obtained in supplementary exams will be considered in the calculation of the weighted overall/average.

- In cases where the student repeats a course, the best-earned grade will stand for calculation of the weighted/overall average.

The eligibility criteria for awarding the Governor General’s Medal:

The Governor General’s Medal is awarded to a graduate who has achieved the highest weighted / overall average at each campus where applicable. The student must be graduating from a two or three-year diploma-level program.

The eligibility criteria for the President’s Medal of Excellence:

The President’s Medal of Excellence will be awarded to one full-time graduate in each program who attains the highest weighted/overall average in his/her program. The student will also receive a certificate. The student must meet all College scholarship criteria. The medal is campus based and is available to both the certificate and diploma-level programs.

The eligibility criteria for Honor Society (Semester Based):

The College has established an Honor Society to recognize those students who meet the following criteria:

- Those in certificate, diploma, and post-diploma programs who have a grade point average (GPA) of 4.0 and/or no mark less than 80%.

- Some campuses offer Office Administration and Business Administration by the individualized instruction methodology. At campuses where this applies, students must be full time and achieve a grade point average (GPA) of 4.0 and no mark less than 80% in order to qualify for the Honour Society.

The eligibility criteria for Honor Society Status at Graduation

The College recognizes graduates who have attained honour society in each semester of their program resulting in an overall grade point average (GPA) of 4.0 and/or no mark less than 80%. Students who achieve this will be recognized during the graduation ceremony with an honour cord.
**Documentation**

Awards administered by the College shall be recorded on the recipient’s academic record.

Transcripts for students who achieve Honour Society status (semester based), will state, “Honour Society” at the end of each semester that they achieve this criterion.

Students who have achieved honour society status will have their names posted at their campus and on the college website at the end of the semester.

Transcripts for students who achieve Honour Society status at graduation will state, “Graduated with Honours” on their transcript.

**College Awards Publications / Opt Out Form**

If you do not wish to have your personal information (name, photo, program of study and community) published by the college, please complete an “Opt Out” form (found at the back of this handbook or on our website at [www.cna.nl.ca/awards](http://www.cna.nl.ca/awards)) and submit it to the Student Services Office at your campus.

### Cori Brown Memorial Business Management Distinction Award

This award was established by Murray Brown and Barbara James to honor their beloved daughter, Cori Meagan Brown. Cori was born on November 24th, 1992 and passed away suddenly from natural causes, February 8th, 2018, at the age of 25. Her beautiful and giving spirit deeply touched everyone she knew. In 2014, Cori graduated from the Business Management Marketing program at the Prince Philip Drive Campus of CNA. She was a dedicated employee of The Works for many years and was well respected by her co-workers and members. Cori showed a genuine interest and care for all members at The Works, from toddlers to senior citizens. Family, friends, co-workers and her former classmates at CNA, will forever miss her. This award is presented to a student who is recognized for a variety of qualities. This student will have shown a passion for learning, demonstrated initiative, made a significant contribution to his/her class, exhibited a strong work ethic, possessed a positive attitude, shown a willingness to help others, and demonstrated a strong desire to succeed in the Business Management profession.

Ed Norman Memorial Scholarship
The Lower Mainland Newfoundland and Labrador Heritage Society was registered as a non-profit society in British Columbia in 1995. One of its main purposes was “to become active, visible and involved in the community by making financial donations to charitable causes such as the establishment of a Scholarship/Bursary Fund or other worthy causes as approved by the membership”. The society would have socials, fundraisers and receive donations from private individuals to raise monies. Soon after the Society’s formation, the members chose to have funds set aside to be used for Scholarships. In 1999, Ed Norman joined the society. Using his expertise as a lawyer, Ed, along with other committee members, drafted guidelines and protocol for the Society’s Scholarship Fund.
On January 12, 2000 Ed Norman died suddenly at the age of 47. As a young person, Ed lived in Port Union, Trinity Bay and moved to St. John’s when he was 13. After high school, Ed completed his undergraduate degree in political science at Memorial University and in 1976 completed his law degree at Dalhousie University. For his hard work, dedication and love for the Province of Newfoundland and Labrador, the Society renamed the fund The Ed Norman Memorial Scholarship Fund. The Lower Mainland Newfoundland and Labrador Heritage Society takes great pride and pleasure in donating this scholarship to College of the North Atlantic to help assist a deserving student in their studies.

Stephanie Cormier Chaisson Memorial Leadership Awards
The Bay St. George Status of Women Council promotes equality, justice and peace for women and their families. At the Bay St. George Women's Centre, we provide an opportunity for women and their families to learn, grow, and recognize their own strengths and abilities.

In memory of Stephanie Cormier Chaisson, the Bay St. George Women's Council in partnership with College of the North Atlantic would like to offer two leadership awards to Community Studies students who demonstrate leadership and compassion in their community and student life.

A devoted mother and dedicated worker, Stephanie Cormier Chaisson was a born leader. As president of the parent committee of École Notre-Dame-du-Cap for many years, she was an inspiration to teachers and students. Planning and organizing activities, meals, outings and fundraisers came naturally to her, sometimes dipping into her own pocket to ensure equality among all implicated. When her children were involved in sports, she encouragingly attended all events and led in the fundraising for any field trips or celebrations.

Compassion, enthusiasm, motivation, good-spirit, confidence, tolerance, charisma and dedication are among the many qualities that made Stephanie Cormier Chaisson a wonderful leader.

**Jazz Aviation LP Awards**

Jazz Aviation LP has a strong history in Canadian aviation with its roots going back to the 1930s. Jazz is owned by Chorus Aviation Inc. Chorus's vision is to deliver regional aviation to the world.

As the largest regional carrier in Canada, Jazz has a proven track record of industry leadership and exceptional customer service and has leveraged that strength to deliver value to all its stakeholders. Jazz operates more flights and flies to more Canadian destinations than any other airline, and has a workforce of approximately 4,600 professionals, highly experienced in the challenging and complex nature of regional operations.

There are three divisions operated by Jazz Aviation LP: Air Canada Express, Jazz Technical Services and Jazz.

**Air Canada Express:** Under a capacity purchase agreement with Air Canada, using the Air Canada Express brand, Jazz provides service to and from lower-density markets as well as higher-density markets at off-peak times throughout North America, with a fleet of 116 Canadian-made Bombardier aircraft: Dash 8, CRJ and Q400 NextGen aircraft.

**Jazz Technical Services:** Established in May 2016 as a separate division, Jazz Technical Services is dedicated to heavy maintenance, repair and overhaul of Bombardier aircraft, providing services to third parties while maintaining the dedication and commitment to its primary customer, Air Canada.

**Jazz:** Under the Jazz brand, the airline offers charters throughout North America for corporate clients, governments, special interest groups and individuals seeking more convenience. Jazz also has the ability to offer airline operators services such as ground handling, dispatching, flight load planning, training and consulting.

College Sponsored Awards

Joyce Family Foundation Bursary
The Joyce Family Foundation Bursary Program is open to all high school students in all communities in the province of Newfoundland and Labrador. The bursary program is based on financial need and is open to any student wanting to pursue a CNA post-secondary education. The Joyce Family Foundation Bursary Program will provide financial support from the time of the student application until completion of his or her program.

Information brochures and applications are available in PDF format by clicking the below link. Please contact your high school principal or guidance counsellor to find out how you can apply. http://www.cna.nl.ca/Current-Students/Scholarships-And-Awards.aspx

Project Hero Scholarship Program
The Project Hero Program at College of the North Atlantic is a partnership with Veteran Affairs Canada. It provides financial aid for children of Canadian Forces personnel who have lost their lives while serving in an active mission.

Number of Awards: Varies
Value: Free tuition for normal duration of chosen program. Recipient remains responsible for all applicable student and/or administrative fees.
Criteria: The Project Hero Scholarship Program is open to those who are:
• A dependent of a Canadian Forces member who lost their life as a result of being deployed on an international operation**
• Accepted as a regular full-time student (in a CNA diploma or certificate program)
• A citizen or permanent resident of Canada
• Under age 26
• Students will be permitted to avail of this scholarship for one program only.

Application Process
Students must complete and submit a Project Hero Program Application, accompanied by a written confirmation letter from Veteran Affairs Canada, to the:
Associate Vice President of Student Services
College of the North Atlantic Headquarters
432 Massachusetts Drive
P.O. Box 5400
Stephenville, NL
A2N 2Z6

Deadline Date: Before the end of the recipient’s first full-time semester.

**Note: The eligibility for scholarship support associated with the deceased Canadian Forces member dependent child relationship is to be confirmed through the Children of Deceased Veterans Education Assistance Act verification process. Veteran Affairs Canada (VAC) administers this process and will provide the written confirmation for children of deceased veterans to be used to verify Project Hero eligibility. Applicants are to call VAC at 1-866-522-2122 in order to receive the required confirmation, as well as information concerning additional support services for the children of deceased veterans.
External Awards

Some awards are offered by external agencies and not administered by the College Awards’ Committee.

Students should check with the Awards’ representative at their campus for application forms and information on available awards. It is the student’s responsibility to seek out information on external awards.
