

## **Glenn Mesh Memorial Award**

This scholarship was established in honor of Glenn's steadfast determination to become an Aircraft Maintenance Engineer, even though he was physically ill from the effects of cancer. Throughout his illness he never lost sight of his goal to complete his training and, while away from the Campus fighting his illness, resolved always to return to class Monday morning. The Student Council of the Gander Campus has taken over the responsibility for this tribute to Glenn, thus ensuring that the example set by his unyielding desire for knowledge and fulfillment, under the most distressing conditions, will not be forgotten.
