

## **Jerry Trask Memorial Award**

Jerry Trask was a respected professional in the Non-Destructive Testing industry and a valued member of the offshore inspection community in Newfoundland and Labrador. Throughout his career, he was known for his professionalism, integrity, and steady approach to his work, as well as the respect he showed to those around him. He took great pride in his trade and was someone others could rely on for sound judgment and leadership. This memorial award is established in his name to recognize a student in the Non-Destructive Testing Technician program who reflects the qualities Jerry was known and respected throughout his career.

Donor: Novus Industrial Atlantic Inc.

Number of Awards: One

Value: \$1,000

Criteria:

- Awarded to a full-time student in the Non-Destructive Testing Technician program at the Port aux Basques campus.
- Must demonstrate strong academic performance, exhibit professionalism, integrity, and reliability as well as show a positive attitude, respect for others, and contribute positively to the learning environment.
- The Non-Destructive Testing Technician instructors will make a recommendation and forward the name of the award recipient to the Campus Awards Committee.

**No application is required.**
