12. You are aware that:			
Rollovers occur at high speeds as a result of sudden steering maneuvers.			
This van requires more space and additional reliance on side view mirrors for changing lanes.			
This van does not respond well to abrupt steering maneuvers.			
This van requires additional breaking time.			
A safe speed must be maintained for the current weather conditions.			
13. Note any unusual noise or damage to any part of the vehicle not noted in the checklist.
