START OF CLASSES

Classes will begin on Tuesday, September 6, 2022. Fall 2022 Orientation sessions will be scheduled from Tuesday, September 6th (a schedule is available [here](#))

COVID-19 PROTOCOLS

With the fall 2022 semester on the horizon, CNA will be implementing COVID-19 protocols to ensure the health and safety of its students and employees as well as the continuity of academic programming. Although COVID-19 case counts and hospitalizations remain stable across NL, CNA remains ever-aware of the dangers posed by the increased transmissibility of post-Omicron variants. As a result, the following COVID-19 protocols will be instituted:

Mask Mandate for Indoor Spaces

As of September 1, 2022, CNA will mandate **a mask requirement in all indoor spaces**. Under this mandate, students, faculty, staff, and visitors will be required to wear a **non-medical mask** (minimum 2-layer but 3-layer is recommended) in all instructional and public indoor spaces. These spaces include classrooms, labs, and shops as well as common areas such as hallways, stairwells, Learning Commons, etc.

Masks are **strongly recommended** (but not mandatory) for the following situations:

1. An instructor who is lecturing and can remain physically distant,
2. A student or guest who is presenting and can remain physically distant,
3. A student or instructor participating in a specific course objective for which communication is hindered by a mask, e.g., select objectives in the Applied Music and Journalism programs,
4. A student or instructor participating in program objectives involving outdoor activities,
5. Participants in a meeting who can remain seated and physically distant,
6. Employees in offices who can remain seated and physically distant,
7. Individuals who are actively eating or drinking at one of CNA's on-site cafeterias or cafés.

While CNA expects most individuals will supply their own masks, masks will be made available at centralized locations throughout CNA's sites (while quantities last).

Masks will not be required in CNA's residences at this time.

Physical Distancing

CNA is **strongly recommending** all individuals maintain physical distancing while on its sites.

Recommended Public Health Measures

In addition to wearing a mask and maintaining physical distancing, all individuals are reminded to protect themselves by practicing good hygiene and staying home and self-isolated should they feel ill. Individuals with symptoms of COVID-19 should complete the [COVID Assessment and Test Reporting Tool](#) and follow all recommendations. Should an individual test positive for COVID-19, all recommendations from [Public Health](#) should be followed. Students who test positive are to contact their instructors immediately to ensure they are updated with course requirements.

Although there is no longer a mandated requirement for vaccinations, CNA does recommend a vaccination protocol for all students and employees. CNA will continue to work with Regional Health Authorities to promote vaccine and booster clinics for students and employees where possible.

Review

CNA will continue to work with Public Health authorities and follow any changes in public mandates as announced. In recognition of possible changes in the provincial public health situation throughout the fall semester, CNA is also committed to a monthly review of its COVID-19 protocols.

GETTING STARTED

BRIGHTSPACE PULSE APP

[Brightspace Pulse](#) is an app that helps students find out what's new and what's next. You can use it to stay up to date and prepared by unifying course calendars, assignments, grades, and news during the busiest times.

BRING YOUR OWN DEVICE (BYOD)

As you may be aware, CNA has implemented a Bring Your Own Device (BYOD) initiative for students to ensure that you can properly participate in your online learning. It is recommended that you review the technical requirements for your program when purchasing a device. We would also like to remind you that if you are applying for student financial support through Immigration, Population Growth and Skill (IPGS) or Student Aid that you include these costs in your application. For more information on the requirements of your device, please read our [BYOD manual](#).

To participate in courses, students must have an internet ready computer system with these [computer requirements](#). General internet/computer knowledge (i.e., email, ability to save files, install programs, and related applications) would be a valuable asset. A computer/laptop that runs Windows 10 plus a headset that can be used to communicate virtually for live classes and communication with instructors is recommended. Chromebooks or android tablets/mobile devices are not sufficient as they do not use a Windows operating system. Therefore, these devices *do not support the respondus lockdown browser*, and this is a mandatory requirement for taking exams/quizzes through D2L.

IMPORTANT DATES & DEADLINES

All key dates and deadlines, including midterm and final exam dates, are posted on our [Calendar of Events](#) our [campus website](#), our [campus Facebook page](#), and emailed to students through their CNA Student Webmail.

MICROSOFT TEAMS

Students at CNA have access to Microsoft Teams through your MS Office 365 account (see below). Microsoft Teams is an online platform with capabilities to do many things as a student; first and foremost being the ability to meet virtually with not only staff/faculty at the College but also students. It has a range of capabilities that includes online calling, video conferencing, screen sharing, instant messaging, and creating "team" groups for collaboration. Training videos on how to use this platform can be found [here](#) and also on this [website](#)

MY CNA

[My CNA](#) is your gateway to student supports and resources at College of the North Atlantic such as Student Self Service (course registration, access grades, student finances, etc.) and Student Webmail as well as peer tutoring, student services, policies governing student conduct, scholarships and awards, and much more.

MS OFFICE SOFTWARE

As a student of College, your Microsoft Office 365 (O365) account provides the following benefits:

- E-mail with a 50 GB limit, attachments of up to 25 MB, Mobile device support

- MS Office Web Apps
- Full copy of MS Office (Current Version) on up to 5 devices
- MS SharePoint
- MS Lync/Skype
- OneDrive with 1 TB of storage
- MS Teams
- Please see [O365 FAQ](#) for students for more information.

PAYMENT OF FEES

Fees are due **Tuesday, October 4, 2022**, for the Fall 2022 semester. Tuition and course fees can be paid online using Visa, Visa Debit, and MasterCard through Student Self Service by visiting www.cna.nl.ca/mycna (*MyCNA from the CNA homepage*). If a credit card is not available to you, then payment by cheque (be sure to include your student ID) can be sent to:

CNA, Bay St. George Campus DSB Fowlow Building
 432 Massachusetts Dr. P.O Box 5400
 Stephenville, NL A2N 2Z6

Student Aid borrowers will have their loans processed remotely. You do not need to do anything and once the loan is processed you will receive an email to confirm that it has been done. You can also track information regarding your student loan (Newfoundland & Labrador students only) at www.gov.nl.ca/studentaid by logging into the portal using your username and password. Please contact Jonathan Bennett, Student Development Officer at Bay St. George Campus, for more information related to your student loan and its release.

Please visit our [website](#) for detailed information on all applicable fees and related charges.

STUDENT ID

You can request a CNA Student Photo ID card through the Student Self-Service portal online. Students can log in to their [student self-service](#) and upload a photo similar to a passport photo. In preparation for this, you may want to have your photo ready to upload when the system is available. To make the process more efficient and avoid photos being rejected we suggest that you have a headshot photo with a white background ready. You will also need a verification document ready to submit. This can be a photo of your driver's license or any recognized photo ID. These photos can be taken with your cell or digital camera but must be saved as JPG or JPEG format to be uploaded. In addition, you will be asked to confirm your correct mailing address during the process to avoid the photo ID being sent to the wrong address.

[Click here for instructions](#) to submit or view a **Student Photo ID Request**. If you experience any issues with the **Student Photo ID Request** process, contact the Help Desk at SSHHelpReg@cna.nl.ca.

STUDENT SELF-SERVICE

Self-Service is your portal to register for courses, **opt out** of health and dental coverage, student self check-in, access your grades, check your account balance, pay outstanding fees, download your T2202A form for income tax (available late February), etc. Please contact the Student Service Help Desk (SSHHelpReg@cna.nl.ca) if you have any issues with your Self-Service account.

STUDENT WEBMAIL

Important information regarding registration, exams, job opportunities, scholarships/awards, etc., are communicated via your [College Student Webmail account](#). Please ensure you check your webmail regularly,

so you do not miss valuable information. Instructions on how to access your College Student Webmail through the Outlook on your mobile device will follow at the end of this document.

USING Desire2Learn (D2L)

Our Distributed Learning courses and programs are offered through a learning environment called **Brightspace** (formerly known as Desire2Learn (D2L)) which contains many features that will enhance your learning experience. Students who use Brightspace are able to access course content, post to discussions, submit assignments, complete online quizzes, email instructors and other students, and check your grades. Please check out the [DL Know How video](#) below that demonstrates the tools that your instructor may or may not use in your course.

STUDENT SUPPORTS

ACCESSIBILITY SERVICES

The College offers accommodations to students with disabilities. Students are responsible for notifying the College if disability services are required. Students should self-identify on the admission application. If you did not do this, use the [Accessibility Services Request form](#) at the beginning of the semester. The request will be forwarded to Paula Gillis, Coordinator of Accessibility Services, for the Bay St. George campus. You will be required to provide documentation such as an assessment report or information documenting your disability, complete a pre-entry interview, and agree to disclose details to appropriate personnel for the purpose of implementing the accommodations. Accommodations may include quiet testing space, adaptive technologies, extra time, etc. You should arrange to meet with the Coordinator within the first two weeks of the semester and maintain communications with them throughout the term. You must contact the Coordinator at the beginning of each semester to avail of accommodations for the term.

For more information, please contact **Paula Gillis** (Accessibility Services Coordinator) paula.gillis@cna.nl.ca or **Ted White** (Resource Facilitator) ted.white@cna.nl.ca. Appointments can be arranged virtually through Skype/Microsoft Teams or through telephone/email.

Accessing the pantry's is completely anonymous and does not require approval from the Student Services staff at the campus. The pantries are accessible by all students when a need arises, anytime throughout the day. They are located in discreet, accessible areas in each campus. Deadlines vary throughout the year, but most are mid-January. Check the application for exact deadline date.

STUDENT CODE OF CONDUCT AND APPEALS

College of the North Atlantic students are expected to follow a [code of conduct](#) and, within this policy, also have certain rights and responsibilities. All registered students of the college may appeal a decision or ruling which affects them as it pertains to academic matters as well as matters of student discipline, student rights, and student responsibilities through an [academic appeal](#) or [non-academic appeal](#).

STUDENT DEVELOPMENT SERVICES

Student Development Officers (SDOs) provide a variety of student engagement and support services at College of the North Atlantic campuses. As a student at CNA, SDOs are your first stop for many services including preparing to become a student at CNA; financial aid information; the orientation process including sessions and activities; scholarships and awards; graduation; and becoming familiar with and following the Student Code of Conduct as well as Student Rights and Responsibilities. The SDOs also advise and support the Student Representatives Council (SRC) at each campus, which is an important part of student life. During your time as a student, the SDOs are involved in student and graduate employment programs which may include delivering job search seminars, coordinating job training placements, connecting students to industry through the organization and delivery of career fairs, and supervising student employees. As well, SDOs coordinate and participate in local and provincial recruitment strategies including signature events as well as campus tours, recruitment information sessions, and career fairs. SDOs are a liaison between students, support staff, faculty, campus college administration, senior college management and work together to connect and support students, alumni, employers, and friends of the College. Appointments can be arranged with **Jonathan Bennett (Jonathan.bennett@cna.nl.ca)**, Student Development Officer at the Bay St. George campus, virtually through Skype/Microsoft Teams or through telephone/email.

STUDENT GOVERNANCE

Student Representatives Council (SRC) members will be needed again this year and are an integral part of student life on campus. Each campus elects members at the beginning of the academic year. The SRC is governed by a constitution and has a responsibility for planning and organizing various extra-curricular activities on behalf of the student body. The SRC also has an advisor on behalf of Student Services which, at the Bay St. George Campus, is the Student Development Officer. Full-time and part-time students are eligible to run. However, part-time students cannot hold the President's position. Positions include President, Vice-President, Secretary, and Treasurer. Also, each program may elect, or otherwise have appointed, at least one student to serve as a Class Representative.

The Council of Student Executives (CSE) is also a student governance committee which has a student representative from each of the CNASU's at the campuses. These representatives are elected by their fellow SRC members. This committee is responsible for ensuring that students will sit on all major college committees including the College Board of Governors.

If you are interested in running for a position on the SRC, please see Jonathan Bennett (Student Development Officer, Bay St. George campus). Information regarding the nomination and election process will be distributed during orientation.

STUDENT LOAN

Student loan assistance may be available from the provincial and federal government. More detailed information (including repayment) is available at [My CNA](#). Out of province students should check with the Student Aid office within your jurisdiction.

If you previously had a government sponsored loan and you are registered as a full-time student, you do not have to make payments while attending post-secondary. You must register for the [National Student Loan Service Centre Online Services](#) (see below) and request a Confirmation of Enrollment via your account. **Please note that this must be requested and completed each semester individually.**

Tuition and equipment/material fees will be deducted from your loan which is submitted to the student loan portal by Student Aid. **Please note** that if you are awarded a student loan and you **opt out of Health and Dental coverage**, this amount will **not** go back directly to you. Instead, it will be refunded back to the National Student Loan Service

Centre and be deducted off of the total debt owing. Also, we are not permitted to deduct fees for textbooks therefore you should ensure you have funds available to purchase your textbooks until you receive your loan. If received, loans will be processed by our office once your full-time or part-time enrollment is confirmed and will take 7-10 business days to reach your bank account. When your loan is processed a confirmation email is sent to your [CNA Student Webmail](#).
