All registered students of the college may appeal a decision or ruling which affects them as it pertains to academic matters as well as matters of student discipline, student rights, and student responsibilities through an [academic appeal](#) or [non-academic appeal](#).

STUDENT DEVELOPMENT SERVICES

Student Development Officers (SDOs) provide a variety of student engagement and support services at College of the North Atlantic campuses. As a student at CNA, SDOs are your first-stop for many services including preparing to become a student at CNA; financial aid information; the orientation process including sessions and activities; scholarships and awards; graduation; and becoming familiar with and following the Student Code of Conduct as well as Student Rights and Responsibilities. The SDOs also advise and support the Student Representatives Council (SRC) at each campus, which is an important part of student life. During your time as a student, the SDOs are involved in student and graduate employment programs which may include delivering job search seminars, coordinating job training placements, connecting students to industry through the organization and delivery of career fairs, and supervising student employees. As well, SDOs coordinate and participate in local and provincial recruitment strategies including signature events as well as campus tours, recruitment information sessions, and career fairs. SDOs are a liaison between students, support staff, faculty, campus college administration, senior college management and also work together to connect and support students, alumni, employers, and friends of the College. Appointments can be arranged with Ray Baird (Dana Farrell) , Student Development Officer at the Burin campus, virtually through Skype/Microsoft Teams or through telephone/email.

STUDENT GOVERNANCE

Student Representatives Council (SRC) at members will be needed again this year and are an integral part of student life on campus. Each campus elects members at the beginning of each academic year. The SRC is governed by a constitution and has a responsibility for planning and organizing various extra-curricular activities on behalf of the student body. The SRC also has an advisor on behalf of Student Services which, at the Burin Campus, is the Student Development Officer. Full-time and part-time students are eligible to run. However, part-time students cannot hold the President's position. Positions include President, Vice-President, Secretary, and Treasurer. Also, each program may elect, or otherwise have appointed, at least one student to serve as a Class Representative.

The Council of Student Executives (CSE) is also a student governance committee which has a student representative from each of the CNASU's at the campuses. These representatives are elected by their fellow SRC members. This committee is responsible for ensuring that students will sit on all major college committees including the College Board of Governors.

If you are interested in running for a position on the SRC, please see Ray Baird (Dana Farrell) (Student Development Officer).

Information regarding the nomination and election process will be distributed during orientation.

STUDENT LOAN

Student loan assistance may be available from the provincial and federal government. More detailed information (including repayment) is available at [My CNA](#). Out of province students should check with the Student Aid office within your jurisdiction.

If you previously had a government sponsored loan and you are registered as a full-time student, you do not have to make payments while attending post-secondary. You must register for the [National Student Loan Service Centre Online Services](#) (see below) and request a Confirmation of Enrollment via your account. **Please note that this must be requested and completed each semester individually.**

Tuition and equipment/material fees will be deducted from your loan which is submitted to the student loan portal by Student Aid. **Please note** that if you are awarded a student loan and you **opt out of Health and Dental coverage**, this amount will **not** go back directly to you. Instead, it will be refunded back to the National Student Loan Service Centre and be deducted off of the total debt owing. Also, we are not permitted to deduct fees for textbooks therefore you should ensure you have funds available to purchase your textbooks until you receive your loan.

If received, loans will be processed by our office once your full-time or part-time enrollment is confirmed and will take 7-10 business days to reach your bank account. When your loan is processed a confirmation email is sent to your [CNA Student Webmail](#).

ACCOMMODATIONS

Landlord and Tenant Relations

If you have any questions on the Residential Tenancies Act, Security Deposits, Rental Agreements, Termination Notices, legislation, statutory conditions, etc., please contact the Residential Tenancies Office at:

Government Services Center
5 Mews Place
P.O. Box 8700
St. John's, NL A1B 4M4
Telephone: (709) 729-2608/5839
Toll Free: (877) 829-2608
Fax: (709) 729-6998
Website: www.gs.gov.nl.ca/landlord/index.html

It is recommended that you obtain a copy of the Residential Tenancies Act for your complete information on your rights and obligations.

Housing with Other Students

Although the law has specific provisions to govern your relationships with your landlord, it leaves the terms of your relationship with your co-tenant (roommate) up to you. If you do not think of potential areas of disagreement now, you may well end up fighting with those with whom you share living quarters. Not only will this be disruptive to your personal and academic life (especially at exam time), but it can involve you in expensive and uncertain situations – such as paying rent and utilities that should be your co-tenants responsibility. It is easy, however, to avoid such problems. Simply talk to your co-tenant(s), and put the terms of your arrangement in writing. You may be responsible for the actions of others. The key issues you should resolve are how you will split the cost of rent, utilities, groceries, and other expenses as well as responsibility for a co-tenant who “disappears” mid-term.

Accommodations Listing

An Accommodations List is available on [campus website](#). This list is updated throughout the year and contains information on many available accommodations in the area surrounding the Burin campus.

Some textbooks do not have an e-textbook alternative. These textbooks will be listed as such and students will need to contact their campus for directions on how to obtain their textbook.

Some courses may require other resources (software, lab manuals, equipment or supplies) and this information will be obtained directly from the Campus. Industrial Trades students need to connect with their campus for specific program resources.

If a student is uncertain, they should contact their instructor to making a purchase since e-textbooks are non-refundable.

WEATHER POLICY
