IMPORTANT DATES & DEADLINES

All key dates and deadlines, including midterm and final exam dates, are posted on our website under [Key Dates and Deadlines](#).

TEXTBOOKS

If you haven't already done so, get your textbooks! A list of required textbooks is available on our [website](#). Please confirm the ISBN number before purchasing a second-hand book. You should also verify the textbook with your instructor prior to purchasing.

COMPUTER REQUIREMENTS

Students will require an internet ready computer system with [specific requirements](#) to participate in online courses. Please refer to College of the North Atlantic's [BYOD](#) (Buy Your Own Device) document for further program specific details. General internet/computer knowledge (i.e., email, ability to save files, install programs, etc.) is an asset.

Due to compatibility and accessibility issues, we do not recommend:

- Google Chromebooks; Chromebooks operate on a system that is not compatible with CNA-required software.

- Apple/MAC computers (unless noted for specific programs). If you use an Apple/MAC, you may need to install boot camp on your device to access some programs with Windows-based software. Please reach out to our [Help Desk](#) if you have any questions on computer requirements.

SOFTWARE

As a student at the College, your Microsoft Office 365 (O365) account provides the following benefits:

- E-mail with at 50 GB limit, attachments of up to 25 MB, Mobile device support
- MS Office Web Apps
- Full copy of MS Office (Current Version) on up to 5 devices
- MS SharePoint
- MS Teams
- OneDrive with 1 TB of storage

Please see [O365 FAQ](#) for students for more information.

If you are required to install (or download) SAGE 50 for Computerized Accounting courses, or Microsoft Access for Database Application courses, you will be required to have a computer with a Windows Based Operating system. SAGE 50 will not run on Apple IOS or Google Chromebook; Microsoft Access will not run on Apple IOS. Visit [Computer Requirements](#) for more information.

If you are new to online learning, we have some resources to help you access and navigate your courses. Visit [Accessing Your Online Courses](#) and [Using Brightspace](#) to learn more!

BRIGHTSPACE PULSE APP

[Brightspace Pulse](#) is an app that helps students find out what's new and what's next. You can use it to stay up to date and prepared by unifying course calendars, assignments, grades, and news during the busiest times.

You can request a CNA Student Photo ID card through the Student Self-Service portal. This service is available on a mobile device or a desktop, making it easier to submit a request. Students will have access to drug, extended medical and dental insurance coverage. Full time students are automatically charged for this coverage. If you have alternate coverage, it is your responsibility to decline the coverage through the Student Self Service before the deadline of **October 1, 2024**. Family coverage is available at an additional cost. For details on all Health & Dental benefits contact Mary-Ellen Alexander (709-643-7927 / mary-ellen.alexander@cna.nl.ca.) If you do not hear from us by **September 28**, please email dlservice@cna.nl.ca for follow-up. Remember to include your student number.

PAYMENT OF FEES

Fees are due **October 1, 2024**, for the Fall semester. You may pay your fees using the Student Self-Service by visiting www.cna.nl.ca/mycna (*MyCNA from the CNA homepage*).

STUDENT LOAN

Student loan assistance may be available from the provincial and federal government. More detailed information (including repayment) is available at [My CNA](#). Out-of-province students should check with the Student Aid office within your jurisdiction.

If you previously had a government sponsored loan and are registered as a full-time student, you do not have to make payments while attending post-secondary. You must register for the [National Student Loan Service Centre Online Services](#) (see below) and request a Confirmation of Enrollment via your account. **Please note that this must be requested and completed each semester individually. Students must select “Clareville Campus” for your online asynchronous program.**

We are not permitted to deduct fees for textbooks therefore you should ensure you have funds available to purchase your textbooks until you receive your loan.

Fees (i.e. academic audit, tuition, technology fees, health & dental, etc.) will be deducted from your loan which is submitted to the student loan portal by Student Aid. **Please note** that if you are awarded a student loan and you **opt out of Health and Dental coverage**, this amount will **not** be refunded to you. Instead, it will be refunded back to the National Student Loan Service Centre and be deducted off the total debt owing. Loans will be processed by our office mid-September and will take 5-10 business days to reach your bank account. When your loan is processed, a confirmation email is sent to your [CNA Student Webmail](#). If your student loan has not arrived by **October 1, 2024** submit the [Financial Contract Request form](#) to request an extension on your fees due date. Financial contracts will not be issued for textbooks. If you indicate you are funded by loan and do not get approved, you are liable for any fees.

The [National Student Loan Service Centre Online Services](#) provides a way for you to get information and details about your student loans. [Setting up an online account will allow you to:](#)

- **Check the status of your student loan**
- **Check the balance of your loan**

ONLINE ACADEMIC HELP CENTRE

CNA offers an [Online Academic Help Centre](#) in collaboration with our instructors. You can now use your student webmail/office 365 account credentials to book a session with an instructor to get help with communications, math, science, accounting, and statistics courses.

ACCESSIBILITY SERVICES

The College offers accommodations to students with disabilities. Students are responsible for notifying the College if disability services are required. Students should self-identify on the admission application. If you did not do this, use the [Accessibility Services Request form](#) at the beginning of the semester. We will forward to the Coordinator of Accessibility Services in your region. You will be required to provide documentation such as an assessment report or information documenting your disability, complete a pre-entry interview, and agree to disclose details to appropriate personnel for the purpose of implementing the accommodations. Accommodations may include quiet testing space, adaptive technologies, extra time, etc. You should arrange to connect with a Coordinator within the first two weeks of the semester and maintain communications with them throughout the term. This is especially important if you require accommodations for midterm/final exams. You must contact your Coordinator at the beginning of **each** semester to avail of accommodations for the term.

STUDENT GOVERNANCE

Student Representatives Council (SRC) members will be needed this year and are an integral part of student life. Members are elected at the beginning of each academic year. The SRC is governed by a constitution and has a responsibility for planning and organizing various online activities on behalf of the student body. The SRC also has an advisor on behalf of Student Services which, for online learning students, is the Student Development Officer. Full-time and part-time students are eligible to run. Positions include President, Vice-President, and Secretary. Also, each program may elect, or otherwise have appointed, at least one student to serve as a Class Representative.

The Council of Student Executives (CSE) is also a student governance committee which has a student representative from each of the CNASU's at the campuses. This committee is responsible for ensuring that students will sit on all major college committees including the College Board of Governors. If you are interested in running for a position on the SRC, please contact Tracy Holloway (tracy.holloway@cna.nl.ca).

COURSE/PROGRAM WITHDRAWALS AND REFUNDS

If you wish to withdraw from a course, you should first speak with a Counsellor to see how dropping might impact your program. To drop a course, or withdraw from a program, complete the [Course/Program Withdrawal form](#). If you are within the applicable [time frame for a refund](#), allow 2-3 weeks for refund to be issued from CNA Headquarters. Refunds for sponsored students/student loan recipients are returned to the sponsor/student aid. Dropping a course MAY affect your current or future loan(s). Please reach out to DLSDO@cna.nl.ca.

SCHOLARSHIPS & AWARDS

CNA provides an opportunity for students in many programs to compete for a variety of awards, scholarships, bursaries, and prizes. These awards are made possible by the generous contribution of donors which include numerous organizations, companies, and individuals. A list of [scholarships/awards](#) is available to online students. Also, check your College webmail account for more scholarship announcements! Deadlines vary throughout the year, but most are mid-January. Check the application for exact deadline date.

EXAMS

Exams could be written online, on-campus or a combination of both. Online exams may require students to use a webcam and microphone. Please check with your instructor in each course regarding midterms, finals, or other assessments. It is your responsibility to ensure you are available for your scheduled exams and have the technology required. If you are not able to write as scheduled, please notify your instructor well in advance.

Valid Photo ID: You must present a valid photo ID (Driver's license, provincial id, student ID, etc.) when writing an exam using Respondus Monitor or writing in-person exams.

Deferred Exams: If extenuating circumstances apply, you may be eligible to apply for a deferred exam. To apply for a deferred exam, you must submit the [request form](#) and provide relevant documentation.
