The SRC is governed by a constitution and has a responsibility for planning and organizing various extra-curricular activities on behalf of the student body. The SRC has an advisor on behalf of Student Services which, at the Clarenville Campus, is the Student Development Officer. Full-time and part-time students are eligible to run. However, part-time students cannot hold the President's position. Positions include President, Vice-President, Secretary, and Treasurer. Additionally, each program may elect, or otherwise have appointed, at least one student to serve as a Class Representative.

Housing & Accommodations

Accommodations Listing

An Accommodations List is available on our [campus website](#). This list is updated throughout the year and contains information on many available accommodations in the area surrounding the Clareville campus.

Landlord and Tenant Relations

If you have any questions on the Residential Tenancies Act, Security Deposits, Rental Agreements, Termination Notices, legislation, statutory conditions, etc., please contact the Residential Tenancies Office at:

Government Services Center

149 Smallwood Drive

P.O. Box 8700

Mount Pearl, NL A1B 4J6

Telephone: (709) 729-2608

Toll Free: (877) 829-2608

Fax: (709) 729-6998

Email: landlordtenant@gov.nl.ca

Website: <https://www.gov.nl.ca/gs/landlord-tenant/>

It is recommended that you obtain a copy of the Residential Tenancies Act for your complete information on your rights and obligations.

Housing with Other Students

Although the law has specific provisions to govern your relationships with your landlord, it leaves the terms of your relationship with your co-tenant (roommate) up to you. If you do not think of potential areas of disagreement now, you may well end up fighting with those with whom you share living quarters. Not only will this be disruptive to your personal and academic life (especially at exam time), but it can involve you in expensive and uncertain situations – such as paying rent and utilities that should be your co-tenants' responsibility. It is easy, however, to avoid such problems. Simply talk to your co-tenant(s) and put the terms of your arrangement in writing. You may be responsible for the actions of others. The key issues you should resolve are how you will split the cost of rent, utilities, groceries, and other expenses as well as responsibility for a co-tenant who “disappears” mid-term.

Cafeteria

Cafeteria services are not available currently. Microwaves are provided courtesy of the Student Representative Council. There are vending machines in the cafeteria.

Textbooks

Book lists will be available to students during their advisement sessions taking place on Wednesday, September 2 and 3, 2026. Students may choose to utilize hard copy books that they obtain second hand or from other sources (i.e., CNA Used Textbooks Facebook group). Previous editions of text may be acceptable however students are advised to confirm with their instructor prior to purchasing a previous edition.

A list of all courses being offered in the fall, with the corresponding e-textbook option, is available to students on [MyCNA](#). This list is compiled with information from each campus and students are encouraged to confirm the specific textbook needed with their instructor as there may be differences from campus to campus offerings. The list contains a suggested source from which students can directly purchase the e-book and e-books will not be available for purchase from campus bookstores. Prices will not be provided on the CNA site since in some cases students may have several options to purchase and the price will vary.

Some textbooks do not have an e-textbook alternative. These textbooks will be listed as such and students will need to contact their campus for directions on how to obtain their textbook. Some courses may require other resources (software, lab manuals, equipment or supplies) and this information will be obtained directly from the Campus. Industrial Trades students need to connect with their campus for specific program resources. If a student is uncertain, they should contact their instructor to making a purchase since e-textbooks are non-refundable.

Bookstore

The campus bookstore hours are: Monday-Friday from 8:30 a.m. – 12:00 p.m. and 1:30 p.m. – 3:00 p.m. For more information, please contact [Willis Caines](#), Storekeeper.

For Online Students, please find details [here](#) for the process to order your textbooks. Orders can be placed with the [Online Bookstore](#). Orders are processed within **three business days** of receiving payment. During the first two weeks of a semester, please allow **five business days** for processing due to a higher volume of orders. Please contact [Alexandra Phillips](#), Storekeeper for more information.

Computer Services & Online Helpdesk

Students experiencing technical difficulties can contact Campus IT at the Clarendville campus. Students having trouble with passwords can reset their own password by [visiting this site](#).

As some of our courses will be housed virtually, a dedicated [Online Learning Helpdesk](#) support team is available to serve your technical support needs. Team members possess a wide range of technical skills and look forward to answering your questions, finding solutions to your problems, and ensuring that your online experience is an enjoyable one. We aim to provide prompt courteous service within 24 hours. **NOTE:** When corresponding with the Helpdesk, include your course name/number and Student ID number and details on the problem you are experiencing, including any error messages you may have received.

All registered students of the college may appeal a decision or ruling which affects them as it pertains to academic matters as well as matters of student discipline, student rights, and student responsibilities through an [academic appeal](#) or [non-academic appeal](#).
