

Service Animal Handler Agreement

As a service animal handler, I accept full responsibility for my service animal while on CNA premises or at CNA sponsored events. Furthermore, I will register my service animal with CNA's Accessibility Services, providing proof of licensure and vaccinations.

I have read CNA's Service Animal Policy and Procedure and agree to adhere to its requirements.

As a Service Animal Handler, I agree to:

- Ensure control of the service animal so that it is restrained using a leash or harness, in a cage, or under my physical control, unless being unrestrained is necessary to perform its tasks.
- Ensure the service animal is obedient and well-mannered while on CNA premises, except if the behavior is a means of communication with me or those around me, such as alerting of an upcoming seizure. Aggressive behaviors such as barking, growling, or biting will not be tolerated.
- Remove the service animal from CNA premises if a situation is potentially unsafe for the animal, myself, or any CNA community member. I will work with CNA staff to always ensure the safety of the service animal, acknowledging the variety and unpredictable nature of some environments, such as shop classes, labs, etc.
- Ensure the service animal does not interfere with the normal activity of CNA students, staff, or faculty while studying or working.
- Always accompany the service animal. The service animal will not be left unattended while on CNA premises.
- Maintain the service animal's cage or crate, ensuring it is clean, secure, sized appropriately, well-maintained, and well-ventilated.
- Ensure the service animal is clean and well-groomed. Grooming using campus bathrooms or other facilities is not permitted.
- Sustain the health and well-being of the service animal by providing water, food, and appropriate breaks (e.g., bathroom, exercise) in a timely manner. If negligence towards the service animal is suspected, the service animal agreement will be reviewed and may be revoked.
- Utilize designated areas on campus grounds for bathroom breaks and promptly cleaning and disposing of waste in appropriate containers.
