Some scholarships/awards have strict academic standing requirements. This helps verify current grades and course loads.

- This college student progress report should be used **ONLY** if a college transcript is not available. (i.e.: Industrial Trades programs)
- All courses and progress marks must be included.
- The instructor for each course must include a comment on the students’ attendance, participation and note the percentage of the course completed.
- The instructor for each course must also sign for each course verifying the information is accurate.
