## Library Services

### Library Loans

Library loans should not be returned at this time. Students are asked to keep these items in their possession and information about returns will be communicated when campuses reopen. If you have an urgent reason to return an item, please email [askalibrarian@cna.nl.ca](mailto:askalibrarian@cna.nl.ca) for further direction.

### Online Library Resources

To access online resources, please visit the [MyCNA Library Services page](#), and scroll down to **Find Books, Articles, and Other Resources**. Click on **Student Login** and use your full CNA email address and your password. Click on **Library Services Links** to see a list of resources. For help with searching these resources, please click **Research Guides** or email **Ask a Librarian** at [askalibrarian@cna.nl.ca](mailto:askalibrarian@cna.nl.ca).

If you are logged in to D2L, you can click on **College Library** under **Useful Links** to access the Library Services site.
