2020

Academic Plan **– Winter and Intersession/Spring 2021** Academic Continuity in a Pandemic Environment

**Without a
mask**

**Or an
approved
shield**

**YOU
CANNOT
ENTER**

The 2020-21 Academic Plan has been developed to support student learning for Winter and Intersession/Spring 2021.

The health and well-being of our students is at the forefront of all decisions made at CNA. That is why we have implemented a mandatory requirement that all students must either wear a mask, or an approved shield, upon entering all CNA campuses and facilities. We also require students to adhere to Public Health measures regarding physical distancing, personal hygiene best practices and self-screening/identifying COVID related symptoms.

CONTACTS:

- **Program Information:**
 - All programs have an instructional contact listed, please use this email for your program related questions.
- **Admissions/Fees:**
 - Please contact the Registrar's Office at Registrar@cna.nl.ca
- **Help Information:**
 - dlshep@cna.nl.ca – Distributed Learning
 - 1-877-465-2250 – Distributed Learning
 - www.cna.nl.ca – Live Chat under Contact Us
 - info@cna.nl.ca – CNA General Information
 - 1-888-982-2268 – CNA General Information

Please note:

- The 2020-21 Academic Plan is for Winter and Intersession/Spring 2021 program intake.
- College of the North Atlantic reserves the right to alter any or all components of this plan including, but not limited to: program start dates, delivery methods and program structures in response to quality program delivery in the current pandemic environment.
- The college also reserves the right to issue revised versions of this plan as may be required in this pandemic environment.
- Where programs contain practical components, these may be delivered or deferred subject to Public Health measures, and employer/external placement availability as may be required.
- Students who have questions or concerns related to program start dates or delivery methods are asked to contact the Registrar's Office or the campus where their program will be delivered.

CNA would like to thank all faculty and staff for their significant contribution to the development of this plan and for their dedication to our students.

NOTE: The column for ‘Planned Delivery Method for Winter & Intersession/Spring 2021’ is highlighted in the below table as this area explains the upcoming delivery method for your program. Also, if there has been a change from the Fall to Winter & Intersession/Spring delivery method, the change has been highlighted in blue in the column ‘Original Delivery Method for Fall 2020’. If you have any questions on this information please contact the individual listed as the program contact.
