CNA students who have been accepted as a full-time student for the Fall 2020 semester and require a computer for on-line courses (suitable for BYOD-Model A & B). **Please note:** Students enrolled in Distributed Learning (DL) programs, students returning for train-out, Out of Province students and International students who started in Fall 2020, are NOT eligible.

2. What is the deadline date to apply?

The deadline to apply is Monday, October 26, 2020 by 4:00 p.m.

3. What will I receive if my application is approved?

We have just entered a partnership with Computers for Schools and have a limited number of refurbished computers to provide students at no cost (suitable for BYOD-Model A & B). Students who receive a computer will be responsible for additional purchases such as a webcam and/or microphone.

4. Do I need to be a resident of Newfoundland and Labrador to be eligible?

Students who apply are required to be residents of Newfoundland and Labrador to be eligible. A resident of Newfoundland and Labrador is defined as:

- you are a dependent student and, at the start of your studies, Newfoundland and Labrador is the last province your parents lived for at least 12 months in a row;
- you are a dependent student, your parents are separated or divorced, and the parent with whom you live or who provides your principal means of financial support has lived for at least 12 months in a row in Newfoundland and Labrador;
- you are a dependent student, your parents moved away from the province but you remain in Newfoundland and Labrador to begin or continue post-secondary education within 12 months of your parents' move;
- you are a dependent student, your parent(s) resides outside Canada but their last province of residence for at least 12 months in a row was Newfoundland and Labrador before leaving Canada; or
- you are an independent student, a single parent, married or living common-law and you last lived in the province for at least 12 consecutive months, excluding time spent as a full-time student at a post-secondary institution.

5. Why do I have to provide my financial statement information?

All students applying must provide a financial statement so the college can provide a fair assessment of eligibility for awarding the computer.

6. How do I calculate my resources and expenses?

To determine your resources and expenses calculations, you will need to use your total available resources and total expenses over a 16-week period. For example, under the Estimated Resources Section if you will earn \$100 per week while attending college you need to report a total of \$1,600 in the appropriate box. Under the Estimated Expenses Section for example, if your boarding house cost will be \$125 per week your total amount for a 16-week period is \$2,000 in the appropriate box. You need to use 16 because that is typically the number of weeks for the Fall 2020 semester. Your provincial and federal student loan assessments are broken down by loan and grant for an entire semester. For example, if you will receive \$500 provincial grant and a \$200 federal grant each of those amounts need to be reported in the correct boxes. If you will receive a \$1,000 provincial loan and a \$500 federal loan you need to report in the correct boxes.

7. What are other criteria to be considered eligible?

Applicants must demonstrate financial need, must be in clear academic standing and in clear financial standing for the 2019-2020 academic year.
