First year engineering and first year Petroleum students that have a “conditional status” will be contacted via college email, by Boyd Pynn, Instructional Coordinator to complete academic advisement for your program. “Conditional” means if you have a GPA lower than 2.0 or if you are deficient in any courses.

First year engineering and first year petroleum that are in clear standing will start classes on January 3rd. Schedule will be available under self-service.

2nd and 3rd year engineering students that are conditional will need to email Yvonne Lannon to set up a meeting. Yvonne’s email address is: yvonne.lannon@cna.nl.ca. Conditional means if you have a GPA lower than 2.0 or if were not successful in all your courses.

2nd and 3rd year engineering students that are in clear standing will start classes on January 3rd. Schedule will be available under self-service.
