

Early Childhood Education Additional Documentation for Admission

In addition to meeting the academic entrance requirements to the program of Early Childhood Education, applicants must submit the following documentation as outlined below:

Please Note: Applicants are to submit copies of documents to Student Services **and** provide copies to the approved child care service when attending field placements as scheduled during the program.

1. Record of Immunization

There are two acceptable records of immunization:

- a. A current and up-to-date record of immunization, obtained from a local Public Health provider in the area where the person resides. The record can consist of a photocopy of the immunization card and must have dates of the immunization and the signature of the nurse or physician.

OR

- b. **STATEMENT OF IMMUNIZATION** completed by the applicant, indicating that he/she is not immunized, does not have a current and up-to-date record of immunization, or is awaiting a copy of the current and up-to-date record of immunization. Click [HERE](#) to download a copy of the STATEMENT OF IMMUNIZATION for completion.

Please Note: The completion of a statement of immunization also acknowledges awareness that the applicant may be asked to leave a child care service at the request of a public health official in the event of a communicable disease outbreak and may be unable to return for the duration of that outbreak.

Contact information for applicants to obtain their immunization record can be found at:

A new certified criminal records check or criminal records screening certificate must be submitted if:

- there is a gap in attendance of six months or more
- the expiry date comes into effect prior to the student's end date in the program

3. Clear vulnerable sector records check (issued by RCMP/RNC)
