**\*Official transcripts are required.**

**\*\*Academic averages for the program's pre-requisite courses will be calculated as follows:**

High School, Adult Basic Education and Comprehensive Arts and Science (Transition) Graduates: The academic average will be calculated using final marks in the courses required for admission to the program.

Current High School, Adult Basic Education, and Comprehensive Arts and Science (Transition) students enrolled in their final year: The academic average will be calculated from marks available by the deadline date. An up-to-date transcript must be submitted, and conditional acceptance may be granted based on this information. Confirmation of acceptance is dependent on ranking after final grades are confirmed.

Marks from equivalent post-secondary courses may be substituted for high school marks for evaluation purposes.
